

MONTHLY NEWSLETTER APRIL 2018

ULTIMIZERS, INC.

CURRENT PROJECTS

Convention preparations underway

The guys are working hard not only our current jobs, but are also preparing for the upcoming Richmond Expo scheduled for the middle of May. This Expo will feature Sawmill and Logging equipment and is a great opportunity for us to mingle with others in that industry. There are a

few other conventions coming up that we are really excited to attend as well! With the wood industry seeing increased activity, this is a great way to

touch base and stay up to speed on what is happening with everyone! These conventions are also going to be a great way to remind people who we are and what we do.

Website Updates

We have also been making some changes to our website so go check it out! There are more changes to come and you'll hear

more about those in our next newsletter... so stay tuned!

We are hiring!

We are still looking for that additional Electrical Technician/Panel Builder. This will allow us to build on our Service Team who continues to provide outstanding customer service.

We can't wait to add a new Team Member! If you're interested in this position and want to know more, visit our website. Click on the About Us tab and you will find

WHATS COMING UP NEXT:

We will be attending the WMIA/WMMA WIC conference coming up in Hawaii the first part of May. We are also preparing for the Richmond Expo that will happen in the middle of May. After these two conventions we will focus on the IWF Convention in Atlanta, GA that's coming up in August.
