ULTIMIZERS, INC.

CURRENT PROJECTS

Richmond, VA Show!

Bryson, Jonahs and Ed returned from the Richmond Show on May 21st. The showing was with Pallet Machinery Group and it was held in the Old Dominion Building. Our booth featured a top and bottom pallet scanner. We showed how it can

grade the pallet boards and we showed what qualities and technology it features. We had a great turn out of people interested in the scanner and seeing it in action.

There is a picture below of our booth. We had a great time and we are looking forward to the next Convention!

Welcome New Employees!

We would like to welcome Bailey and Hunter to our team! Bailey comes to us highly recommended and has hit the ground running. He is busy

learning all he can in the shop and is a great addition to our team. Hunter is currently attending school in Wisconsin but has joined us for the summer. We are happy to have these two men working with us.

MANUFACTURERS
OF SCANNING AND
OPTIMIZING
SYSTEMS FOR CUT-
TO-SIZE WOOD
OPERATIONS. ALL
PRODUCTS ARE
MADE IN THE USA

Still Hiring... We are still looking for an electrician/panel builder. If you're interested in finding out more, please visit our website. Click on the About Us tab and you will find our *Job Opportunities* page. You can also call us at (503) 663-7263 to learn more.

WHATS COMING UP NEXT:

We have the IWF Convention in Atlanta, GA that's coming up in August. We are building a new machine that we will have on display. Come check it out!! We will also be attending the Timber Processing and Energy Expo here in Portland, OR in October.
